(23) All beer stamps shall be cancelled by perforation as required by the Federal Government.

(24) No beer containing more than four per cent (4%) of alcohol by weight shall be manufactured in, or imported into the state, except by the permission of the Board first obtained.

(25) It shall be unlawful for any person to sell, offer for sale, purchase or possess any beer containing more than four per cent (4%) of alcohol by weight, unless that purchased from the Board, or manufactured by permission of the Board. Any beer sold, offered for sale, purchased or possessed in violation of this regulation, shall be subject to seizure and/or confiscation by the Board, its agents, employees, or by peace officers.

(26) The Board may require from every licensed manufacturer, distributor, or wholesaler a complete list of the names of all employees who have any control over the business, and whenever any change occurs in the names of such employees, the Board may require notification of such change.

(27) Every manufacturer of beer and/or wine offered for sale within this state shall forthwith file with the Board its labels and other marks of identification.

(28) There shall be no prorating of any license fee.

(29) No manufacturer, distributor or beer wholesaler shall enter into any contract with any person licensed to sell at retail, whereby such licensee agrees not to sell any beer manufactured or distributed by any other manufacturer, distributor or wholesaler.

(30) Upon denial of an application for license, the fee tendered therewith shall be returned. When a license is suspended or cancelled, or the licensed business is discontinued, no refund of the license fee shall be made. Upon discontinuance of business by a licensee, he shall forthwith deliver up his license to the Board. Where application for a new license is made by a purchaser or successor to premises then licensed, the purchaser or successor may, on written permission from the Board, continue the business until action upon the application is taken.

(31) Any brewer or beer wholesaler who grants or gives to a retailer licensed to sell beer for consumption on the premises, a credit or credits in excess of ten days, or to a retailer licensed to sell beer for consumption off the premises, a credit or credits in excess of thirty days, or to any retailer licensed to sell beer for consumption both on and off the premises, a credit or credits in excess of ten days, shall be deemed to have an interest in such retail

establishment within the meaning of Section 90 of the Washington State Liquor Act. Any brewer or beer wholesaler who grants any credit whatsoever to a licensed retailer within the first thirty days that such licensed business is conducted shall be deemed to have a financial interest in such retail establishment within the meaning of Section 90 of the Washington State Liquor Act.

(32) The Board may, in its discretion, sell or otherwise dispose of seized or confiscated liquor.

(33) In the event of the incapacity, death, receivership, or bankruptcy of any licensee, his guardian, executor, administrator, receiver, or trustee in bankruptcy, may, upon written authority from the Board, continue the business of the licensee on the licensed premises for the duration of the license, unless sooner terminated.
